Teachers

Warning Signs of Hearing Loss:

1. Difficulty hearing in noisy situations, like restaurants
2. Trouble hearing women's and children's voices
3. A need to ask people to repeat themselves

Special notice for teachers:

A new law (Act 1179) in Arkansas requires insurance companies to offer at a minimum of \$1400 per ear for teachers. Good communication is extremely important between our teachers and students, and we now have a great opportunity to make it affordable. Beltone would like to also offer a \$400 discount per ear to make it an even greater deal.

Tests are free, please call now to make an appointment!
