

Discounts For NWA School Employees on Bicycles & Shoes

Lewis & Clark has partnered with its vendors to offer exclusive discounts on Bicycles & Footwear for all employees of NWA schools (and members of their household). See website below to view discounts and to place orders. We also encourage you to come in the stores to work with our Outfitters to determine the best bike for you. Once you have selected the right model(s), you can place your order online.

Fundraiser Events

We love partnering with schools around Northwest Arkansas for fundraiser opportunities. Examples of our fundraising events include: **Art Shows for Elementary Students, Scavenger Bike Rides, & Climbing Wall “Spirit Weeks”**. If you would like us to help your school set up a fundraiser or have any questions about possible events, please send us an email or call the Springdale or Rogers store location.

Outdoor Education Field Trips / Classroom Clinics

Our experienced Outfitters can teach on a variety of outdoor-related topics including: skills, equipment demos, environmental stewardship, etc. We are happy to host field trips at our two store locations and can also conduct educational presentations in your classrooms. If you would like to set up an event or have any questions, please contact us at info@gooutandplay.com or call the Springdale or Rogers store locations.
