IMPORTANT INFORMATION:

This application will be kept on file in the Scholarship Office and NOT given to any scholarship donors until such time as your student informs the Scholarship Coordinator of the specific scholarship(s) he/ she would like to be considered for.

Check the scholarship list weekly. New scholarships are added each week. When your student sees a community scholarship that he/she qualifies for and is interested in applying, he/she MUST visit the scholarship office to submit his valid application for that scholarship. Failure to notify the scholarship coordinator of each scholarship the student would like to apply for results in the student not being considered for that community scholarship. See your Scholarship Coordinator for more information.
